### TENDER NOTICE

Gwalior, the 5th March 2010

No. 5(1) 09-10-520.—Tender notice for the manufacturing and supply of country spirit in sealed bottles in Gwalior, Morena, Guna, Sagar, Chhatarpur, Ujjain, Mandsaur, Ratlam, Dewas, Shajapur, Indore, Khargone, Dhar, Khandwa, Bhopal, Betul, Rajgarh, Vidisha, Jabalpur, Balaghat, Chhindwara, Narsinghpur, Rewa and Shahdol supply areas of Madhya Pradesh.

No. 5(1) 09-10-515.—Sealed tenders (separate for each area, to be mentioned in the tender) are invited from distillers for the grant of licence(s) under the provisions of the Madhya Pradesh Country Spirit Rules, 1995 to supply country spirit through bonded warehouses to the retail sale contractors in sealed bottles for the period commencing 1st April 2010 and ending 31st March 2011.

2. (i) The tenderer should be a distiller holding appropriate licence for distillery from the competent authority and the distillery should be in production currently and should have been in production for at least 180 days during the financial year 2008-2009 i.e. from 1st April 2008 to 31st March 2009, or the calendar year 2009 i.e. from 1st January 2009 to 31st December 2009.

(ii) The tenderer should have distillery licence at least for 3 years during the period from the year 2006-07 to 2009-10, and the distillery should be in production during these years.

(iii) Every intending distiller is free to tender for any one or more supply areas indicated above.

3. Tender(s) for supply area(s) will be considered on the basis of the following factors : —

(i) **The compensatory rate quoted for supply.**—The rate quoted by a tenderer as compared to the rates quoted by other tenderers. In case of equality of lowest rates quoted by more than one tenderer, decision to consider one tender out of such tenders will be taken by draw of lots.

- (ii) **Performance or conduct if the tenderer held a similar licence in the past .**—While assessing past performance and conduct, regularity of liquor supplies to the area/areas earlier allocated would be taken into consideration.
- (iii) **Production capacity.**—Whether the tenderer is capable of supplying the required quantity of country spirit in the area/areas [for which tender(s) have been submitted] taking into account the production capacity and production in the past four years.

The decision to accept or reject a tender shall be taken on the basis of tender/tenders received in the light of the above and any other relevant factors. No negotiations will be held. It is also notified for the information of intending tenderers that tenders of a distiller in respect of only such number of supply areas may be considered of which the total estimated quantity of issues of country spirit for the year 2010-11 [arrived at by increasing the estimated issues during 2009-10 (estimated issues will be based upon actual updated average issues) by 5%] does not exceed the average annual production in his distillery during the last four years i.e, 2005-2006, 2006-07, 2007-08 and 2008-09. The successful tenderers shall be allowed to export rectified spirit or country spirit outside the state only after getting permission in this regard from the Excise Commissioner. The said permission shall be given only after ensuring that the exports shall not affect the continuity of supply of country spirit to the State and that minimum stock of rectified spirit and bottled liquor as provided in Rule - 4 (4) of Madhya Pradesh Country Spirit Rules, 1995, shall be maintained.

#### TERMS AND CONDITIONS OF THE TENDER

4. Every tenderer shall have to observe the following conditions amongst others:—

- (i) It is essential for the tenderer to purchase the tender document from this office and submit the rate in the format enclosed therein.
- (ii) The tenderer shall deposit along with the tender, earnest money amounting to Rs. Five lakhs only by crediting it in Government Treasury in Madhya Pradesh under the Major Head "8443-Civil Deposits"; Minor head "Revenue Deposits, Security deposits" for each supply area and attach the treasury challan with the tender. A bank draft issued by any branch of nationalized / scheduled bank in favour of the Excise Commissioner, Madhya Pradesh payable at Gwalior for an equal amount shall also be acceptable. A tender, which is not accompanied by a treasury challan or bank draft for Rs. Five lakhs for an area shall be summarily rejected. The earnest money deposit shall be forfeited if the tenderer, in the event of acceptance of his tender, fails to deposit security, when required to do so, or fails to accept the offer if made to him or if he is unable to carry out his contractual obligations, or fails to abide by condition no.10 of this notice for the warehouse plant, machinery, equipment, liquor empty bottles, sealing materials, etc. In case a tender is not accepted, the earnest money, if not liable to be forfeited, shall be refunded.
- (iii) The tender shall be accompanied by complete address of the tenderer and if the tenderer be a firm, by a certified copy of registration of the firm, latest partnership deed, abstract of Register of Firms issued by the Registrar of Firms and Societies and a list of all partners and their complete addresses; and if the tenderer be a company, by a copy of certificate of incorporation, memorandum and articles of association, a list of promoters with their shareholdings, a list of board of directors certified by Registrar of Companies along with their complete addresses and the resolution passed by the board of directors to submit the tender and enter into an agreement, in case of finalization of tender with the Excise Commissioner of Madhya Pradesh.
- (iv) The licensee shall not under any circumstances hypothecate, sell, mortgage, transfer or sub-lease any of his warehouses or his licence in C.S.I, or enter into partnership for the working of the said licence.

5. The tender shall be accompanied by the following documents:—

- (i) Certified copies of distillery licences from the year 2006-07 to 2009-10 and proof of the fact by the competent authority that the distillery is currently in production and has been in production for at least 180 days during the financial year 2008-09 i.e. from 1st April 2008 to 31st March 2009 or the calendar year 2009 i.e. from 1st January 2009 to 31st December 2009. For the distillers of Madhya Pradesh, the competent authority will be the Officer in charge of the distillery and for distillers of other States, the Excise Commissioner of the concerning State.
- (ii) No dues and credibility certificate regarding past performance with respect to production and supply of alcohol and imposition of penalties etc. due to unsatisfactory supply of spirit during the previous year issued by the Excise Commissioner or an equivalent authority of Madhya Pradesh for distilleries located in Madhya Pradesh and in case of tenderers whose distilleries are located outside Madhya Pradesh by the Excise Commissioner of that State and no one else.
- (iii) Unconditional consent of the Excise Commissioner of the State and none else where distillery is situated, regarding supply of the potable spirit from that distillery which is situated outside Madhya Pradesh to this State for fulfillment of supply requirement of country spirit of the area for which the tender is submitted.
- (iv) Certificate regarding actual annual production of spirit during the last five years (i.e. from 2004-2005 to 2008-09) from the Excise Commissioner of the state where the distillery is situated.
- (v) An undertaking by the tenderer on an affidavit that the distiller has already installed or taken sufficient measures to install effluent treatment plant in the distillery and the distillery is not likely to be closed on the ground of absence or inadequacy of effluent treatment measures during the period of contract.

**Note.**—The prescribed formats are attached with the tender document.

6.(i) The successful tenderer shall transport rectified spirit from his distillery to the manufactory warehouse and supply country spirit filled in a semi - automatic manufacturing unit in the supply area allotted to him. The manufacturing of country spirit can be done at one or more of the warehouses of each of the concerned supply area. The list of warehouses of each of the supply area is annexed to this tender notice.

The storage warehouses at Neemuch, Sehore and Waidhan (District Singrauli) will have to be converted in to Semi Automatic manufacturing warehouses.

(ii) The successful tenderer shall use the unit during the period of the contract and on expiry of the contract; the unit shall have to be handed over to the new successful tenderer against its depreciated value as determined by the Excise Commissioner for this purpose to be paid by the new successful tenderer. The successful tenderer shall make all such arrangements of semi-automatic manufacturing at the respective warehouse as would be necessary to ensure that he is capable of supplying up to 1.5 times the estimated supply of the country spirit in that supply area.

(iii) It will be the responsibility of the successful tenderer to arrange supplies of country spirit (manufactured using standard rectified spirit manufactured in his distillery) to the area from the warehouses of the supply area during the entire period of the contract. It will also be the responsibility of the successful tenderer to receive the empty bottles from the retail contractor at the issue warehouses on rates mentioned in condition 6(vi).

(iv) The country spirit, bottles, labels and bottling caps should be of such good quality, standard pattern and specifications, as prescribed by the Excise Commissioner from time to time.

The country spirit shall be manufactured using rectified spirit by reducing, blending, essencing, colouring, flavouring, maturing, bottling, labeling, sealing etc. The successful tenderer shall dispatch rectified spirit from his distillery to the manufacturing country liquor warehouse. The rectified spirit shall be converted in to the country spirit using the above procedure. He will sell only hygienic potable country spirit to the retailers and will ensure that it is fit for human consumption.

The issue price of country spirit in sealed glass bottles is fixed as below:

S. No.	Kind of Spirit	Issue Price per bottle (in Rs.)		
		750 ml.	375 ml.	180 ml.
(1)	(2)	(3)	(4)	(5)
1	Masala 25 U.P.	5.00	4.00	2.25
2	Plain 50 U.P.	4.00	3.00	1.75

The above issue prices will be paid by the retail contractors to the successful tenderer.

(v) To recover his manufacturing cost and other expenses, the tenderer has to quote for compensatory price (rate) per proof litre of country spirit thus manufactured and supplied. The compensatory payment will be made by the State Government. No other cost shall be payable to the successful tenderer.

(vi) The country spirit shall be bottled in glass bottles of 750, 375 and 180 ml. capacity. The 750, 375 and 180 ml. glass bottles shall be round in shape as earlier specified by the Excise Commissioner. The flat shape glass bottle of 180 ml. introduced in the year 2009-10 shall also be allowed for bottling. The successful tenderer may use both, round as well as flat, type of 180ml bottle. The 750, 375 and 180 ml. capacity bottles shall have distinctly and prominently moulded on it words "म. प्र. आबकारी" and "देशी मदिरा" and the capacity of bottle in milliliter. The bottles should be of good quality and automatically manufactured. The specification of the bottles shall be as prescribed by the Excise Commissioner.

Rates of deposit money for empty glass bottles payable by retail contractors shall be as follows :—

1	Glass bottle of 750 ml. ("देशी मदिरा", "म. प्र. आबकारी", and "750 ml." words embossed on it).	Rs. 6.00
2	Glass bottle of 375 ml. ("देशी मदिरा", "म. प्र. आबकारी", "375 ml." words embossed on it).	Rs. 3.50
3	Round and flat Glass bottle of 180 ml. ("देशी मदिरा", "म. प्र. आबकारी", "and 180 ml." words embossed on it).	Rs. 2.00

The successful tenderer shall refund this deposit money to the retail contractor on return of unbroken glass bottles at the supply and storage warehouses. Issue of country spirit shall be only in 3 ply strong corrugated boxes. 12 bottles of 750 ml., 24 bottles of 375 ml. and 50 bottles of 180 ml. shall be packed in one corrugated box. The cost of corrugated box shall not be paid by the retailer to the successful tenderer. Each corrugated box shall have separators compulsorily to avoid breakage. The country spirit shall not be stored or issued in plastic crates.

(vii) The ratio of supply of country spirit in different sizes of glass bottles to the retail contractors in the area / areas is fixed as under :—

750 ml.	10
375 ml.	20
180 ml.	70

The above ratio means that every 100 proof liters of supply of country spirit to the retail contractor shall consist of 10 proof liters in glass bottles of 750 ml. size, 20 proof liters in glass bottles of 375 ml. size and 70 proof liters in glass bottles of 180 ml. sizes :

Provided that if the retailer demands, he will be supplied with country spirit of 25 degree under proof and 50 degree under proof in 180 ml. in lieu of 750 ml. and/ or 375 ml. Bottles.

(viii) The ratio shown in clause number (vii) above may be changed at any time during the currency of the contract at the discretion of the Excise Commissioner.

(ix) Supply of country spirit for sale through the shops run (departmentally) by the Excise Department shall also be made on the above terms and conditions by the successful tenderer.

(x) Minimum and maximum selling prices are to be printed on each kind and size of labels as directed by the Excise Commissioner.

(xi) The successful tenderer will have to affix holograms on all sizes of the bottles of country spirit as prescribed by the Excise Commissioner on his own cost. No extra cost will be payable for this purpose.

(xii) The successful tenderer shall take care of fire safety and will arrange for sufficient fire fighting equipments in each of the warehouses. He will take care of hygiene and up keeping too of the warehouses.

(xiii) Bottles which are used for bottling of country spirit should be compulsorily double washed and no dirty bottles will be permitted to be used.

(xiv) Workers engaged by the successful tenderer in the bottling and storage warehouses should be engaged only after Police verification and no person with any criminal background will be employed in the bottling and storage warehouses.

(xv) Workers engaged in the warehouses should be provided with uniforms in order to identity them distinctly.

(xvi) Workers should also be provided with Identity Cards issued by the successful tenderer.

(xvii) Every successful tenderer should employ a Quality Control manager in each manufactory warehouse who will be solely responsible for the quality of the country spirit.

(xviii) The capacity of the Reduction Vats should be as per Rule 4(4) of the Madhya Pradesh Country Spirit Rules, 1995 wherein minimum stock of country spirit to be maintained is prescribed.

(xix) The water being used to manufacture country spirit should be used only after getting it tested and certified to be safe for human consumption by the Public Health Engineering Department at least once in a month. Besides the water should be used only after softening it, if water softening plant is installed at the site.

(xx) The colour and essence used should be of food grade quality. The successful tenderer will have to produce certificate of the manufacturer of these items for every lot purchased and brought to the warehouse by him.

(xxi) Three samples of every reduction will be collected and preserved for one month so that they can be tested in case of any complaint regarding the quality of the country spirit.

(xxii) Every bottling line should be washed regularly each time after completion as well as before start of a bottling session.

(xxiii) Paper used for labels to be affixed on the bottles should be of minimum 60 GSM and be semi glazed/ one-side glazed.

(xxiv) Labels should be affixed on the liquor bottles in such a way that they will not come off while handling.

(xxv) Norms prescribed by the Food and Drug Administration and Bureau of Indian Standard should be adhered to while manufacturing country spirit.

(xxvi) Country spirit manufacturing warehouses should be properly lit as per prescribed standards.

(xxvii) Workers handling bottling of country spirit should invariably use hand gloves so that quality of country spirit is not adversely affected.

(xxviii) To measure the country spirit and rectified spirit, a flow meter, whose least count should not be more than one litre should be installed in each vat of manufacturing warehouse.

(xxix) Proper GI pipelines should be used for transfer of spirit and water in manufacturing warehouses. No rubber hoses will be permitted for transfer of spirit and the spirit shall not be manually transferred.

(xxx) The strength of rectified spirit meant for production of country spirit shall not be less than 66 degree over proof.

7. The actual issue of country spirit may exceed the estimated issue of country spirit for 2010-11. The tenderer shall bind himself to meet the full requirement of supply of plain and spiced country spirit from the manufacturing liquor warehouse(s) / Storage liquor warehouses(s) and also to establish and service manufacturing / storage warehouses(s) as and when directed by the Excise Commissioner in accordance with Rule 4 (3) of Madhya Pradesh Country Spirit Rules, 1995 in respective area(s).

The requirement might be up to 1.5 times the estimated figure. The details about actual issues of spirit from warehouses attached to each area during the period from April 2009 to January 2010 are shown below for general information :—

Note :— A list of warehouses is annexed in ANNEXURE-I.

8. (i) A single rate for both plain and spiced country spirit in rupees per Proof liter should be quoted.

(ii) The successful tenderer will have to supply 50 degree under proof plain and 25 degree under proof spiced country spirit on the rate accepted/sanctioned by the Government and shall have no right to ask for revision of rates due to change in any levy, cost of raw material, export, import fee or any other taxation in any exporting or importing state / country during the currency of the contract period.

(iii) The State Government shall have the right to extend the period of contract for such period not exceeding 6 months as may appear appropriate in the circumstances prevailing at the time of conclusion of the contract period on the same terms and conditions and the successful tenderer shall be bound to continue supply during the extended period.

(iv) The conditions of the licence for supply and rules applicable to such supply are subject to revision from time to time at the discretion of the State Government.

9. Successful tenderer shall have to pay the rent of the departmental / Government warehouse at such rate as may be fixed by the P.W.D. or State Government. In case of default, the rent shall be recoverable from the cost price bills of the spirit payable to the licensee. If a government building is not available the successful tenderer will have to make his own arrangements for warehouse building.

10. The successful tenderer shall have to pay to the outgoing contractor such value of the warehouse plant and equipment, as determined by the Excise Commissioner. He shall take over spirit stocks from the outgoing licensee at the rate applicable to the supplies made by outgoing licensee within thirty days from the commencement of the contract. He shall also purchase the balance of empty and sealed bottles at the rates applicable to the outgoing licensee.

For the faithful observance of this condition the successful tenderer shall have to furnish in respect of each area a bank guarantee valid up to 30th June 2011, issued by a branch of any nationalized or scheduled bank in favour of Excise Commissioner Madhya Pradesh, payable at Gwalior for an amount of Rs. 15 Lakhs. In case the successful tenderer fails to pay to the outgoing contractor, the value of the plant and equipment as determined by Excise Commissioner and the price for spirit, empty bottles and sealing materials within the prescribed time, the State Government may cancel the supply contract awarded to the successful tenderer for the concerning supply area. In addition, the bank guarantee shall be liable to be invoked and the Excise Commissioner will be authorized to instruct the bank, to transfer the required amount to the outgoing contractor towards payment on account of the amount due to him.

11. (i) The successful tenderer, will have to deposit a security amount as mentioned in Annexure II in respect of each area. This amount shall be deposited in cash, or by means of a bank draft or bank guarantee valid up to 30.6.2011 issued by a branch of any nationalized or scheduled bank in favour of the Excise Commissioner, Madhya Pradesh payable at Gwalior.

(ii) To recover the cost price of country spirit purchased in exigency from alternate sources, the successful tenderer will have to submit 6 post dated cheques of nationalized / scheduled bank issued in favour of Excise Commissioner, Madhya Pradesh Gwalior, each for the amount equivalent to security amount mentioned in Annexure II as an additional security. The post dated cheques shall bear the first date of month starting from May 2010 to October 2010.

12. The successful tenderer shall have to submit an undertaking to pay the losses and compensation for damages to the State Government and retail contractors in case of failure or delay of supply of country spirit in his area. In such cases, the supply of country spirit would be ensured from an alternative source at his risk and cost. If there is pendency of challans for issue of country spirit due to inadequate production of country spirit in a particular fortnight, the successful tenderer shall be treated as a defaulter. In case of more than one such continuous default it will be treated as continuous failure of supply. In such case of continuous failure of supply or other exigencies, the supply area of the successful tenderer may be detached and allotted to adjoining country spirit supplier (CS-I licensee) whose rate is the lowest and whose capacity is not exhausted as per condition 3(iii) of this tender with a 10% increase in his rate. In exceptional cases where, at any point of time, the Excise Commissioner feels that the contract rate has become unviable due to unusual increase in the prices of raw material, coal etc. and it is not possible for any one of the supply contractor to supply country spirit at the existing rate, then fresh tenders may be invited for that area at the risk and cost of the defaulting supplier. The

difference in price would have to be borne by the defaulting tenderer. The said losses, compensation and difference would be recoverable from the earnest money referred to in Para 4(ii), and security deposit referred in Para 11 of this tender. Any left over recovery would be recoverable as arrears of land revenue from the tenderer.

13. The tender shall be submitted in two separate sealed covers. The first sealed cover, said to be "Part One", shall contain documents / instruments detailed below and have superscribed "PART-I / documents/instruments for the eligibility for tender for the supply of country spirit in sealed glass bottles for area ..... (Name the area)." If a tenderer applies for more than one area he is required to submit the documents mentioned in conditions 4 (iii) and 5, once only. The certificate / document / instrument to be enclosed are as follows :—

- (i) Earnest money deposit as per condition No. 4 (ii)
- (ii) Details as per condition No. 4 (iii)
- (iii) Certificates / documents as per condition No. 5

The second sealed cover said to be "Part Two," will be given only in prescribed form Annexure-III and submitted in double sealed cover and have superscribed "Part - II Rate Offer for the supply of country spirit in sealed glass bottle for ..... area (Name the area)". The word "sealed" means the envelope should be properly closed and pasted so that the papers inside the envelope are not readable without opening it.

Both the envelopes should be kept in one main sealed envelope and should reach the undersigned not later than 3.00 P.M. on 22-03-2010. The sealed envelope will be opened at 4.00 PM on the same day by the Excise Commissioner or an officer nominated by him. "After opening the main sealed cover, the envelope" "Part One" containing documents / instruments necessary for eligibility, shall be opened. On scrutinizing, if the Excise Commissioner is satisfied that the tenderer is eligible for submitting tender under this notice, only then the rate offer submitted in prescribed form in "Part Two" shall be opened.

14. The prescribed tender form can be obtained from the office of the undersigned on payment of Rs. 5000/- (Rs. five thousand only) for each form in cash or bank draft in favour of the Excise Commissioner, Madhya Pradesh, payable at Gwalior.

The tender forms can also be sent by post to the tenderer, if so desired by him. The document will be dispatched through post office of the Department of Post, Government of India only after receipt of Rs. 5100/- (Rs. five thousand one hundred) for each area, to be paid in the form of bank draft of any nationalized or scheduled bank drawn in favour of Excise Commissioner, Madhya Pradesh, payable at Gwalior. The department takes no responsibility for delay in receipt by the tenderer.

15. Submission of tender by a tenderer shall imply that he has read and understood the provisions of the Madhya Pradesh Excise Act, rules made there under specially Madhya Pradesh Country Spirit Rules, 1995 and also the detailed terms and conditions of the tender and the contents of the form of tender which shall be a legal binding on the tenderer.

16. These terms and conditions will be applicable in case of re-tendering during the tender period 2010-2011.

17. Minor omissions in the tender form can be got corrected on the spot by the Excise Commissioner.

18. The State Government reserves the right to reject any or all tenders, without assigning any reason.

19. The State Government reserves the right to change the import fee on importation of rectified spirit for manufacture of country spirit at any time.

20. In case of disputes regarding interpretation of any terms and conditions of the tender, the view of the Excise Commissioner shall be final.

21. All legal disputes arising out of this tender shall be subject to the jurisdiction of the courts situated in Madhya Pradesh only.
